**Aug. 24 - Terminal 4 Sediments Cleanup Open House**

Learn about the cleanup of contaminated  
sediments in the Willamette River

The Port of Portland is moving forward with design of the cleanup of contaminated sediments at marine Terminal 4 within the Portland Harbor Superfund Site. Marine Terminal 4 is located in north Portland at 11040 N. Lombard Street.

Please join us at an open house to learn how the cleanup selected by the U.S. Environmental Protection Agency is being designed.
